

Memorandum

Date: February 20, 2013

To: Honorable Chairwoman Rebeca Sosa
and Members, Board of County Commissioners

Agenda Item No. 8(H)(1)

From: Carlos A. Gimenez
Mayor

Subject: Resolution authorizing submittal of a grant application to Florida Inland Navigation District, Waterways Access Program for \$70,000 with matching County funds of \$99,500 from the Coastal Park and Marina Improvement Trust for plan and design of renovations to boat ramps at Crandon Marina

RECOMMENDATION

It is recommended that the Board authorize the Mayor or County Mayor's designee to apply for Florida Inland Navigation District Waterways Access Program (FIND) funds for up to \$70,000 with matching County funds of \$99,500 from the Department's Coastal Park and Marina Improvement Trust to plan and design renovations to boat ramps at Crandon Marina. It is further recommended that the Board authorize the County Mayor or County Mayor's designee to receive and expend funds and execute contracts, agreements, amendments and other documents as required by the grant upon review and final approval by the County Attorney's Office.

SCOPE

This project will plan and design renovations to boat ramp facilities at Crandon Marina, which is located at 4000 Crandon Boulevard, Key Biscayne, Florida in Commission District 7. The project has countywide impact.

FISCAL IMPACT/FUNDING SOURCE

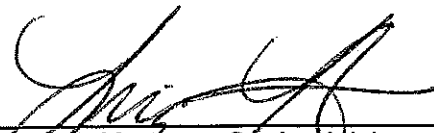

The total cost of the project is \$169,500. The grant application is for \$70,000. A County match of \$99,500 will come from the Department's Coastal Park and Marina Improvement Trust Fund, Index Code PRE600945082. The project solely renovates existing facilities; thus it will not result in additional operating costs to the Department.

RECORD/MONITOR

The Park and Recreation Department (PROS) has an extensive history of managing FIND grant projects. PROS will coordinate project implementation and management. The Department will monitor and process the disbursement and expenditure of grant funds, and manage programmatic and fiscal reporting in accordance with project reporting and auditing procedures stipulated by FIND.

BACKGROUND

Funding for FIND activities and grant programs comes from Florida Ad Valorem taxes. Since 2009, FIND has awarded \$3,697,312 in grants to PROS. If awarded, the grant term will be October 2013 to September 2015. The project is scheduled to complete within the grant term.
